

Imagination Village

For little ones who like to stretch their imaginations that little bit further. Here kids can star in their own T.V chat show, pamper their favourite pets in The Pooch Parlour or practice their commerce skills by ringing in each others groceries at the Supermarket. Dress up for any occasion at Mr. Ben's or design and serve pizzas at the Pizzaz Pizzeria. Then face the challenge of the Alarm Passage – who can make it to the end without setting off the buzzers!
