

## Accessibility-There is something for everybody regardless of ability

Underwater Street is proud to be an all-inclusive attraction. There is something for everybody regardless of ability. We are frequently visited by groups and individuals with a wide range of special needs and many of these are regular visitors.

There are 8 steps down into Underwater Street's main entrance. Disabled access is via the main entrance on Brunswick Street. If you need to use this entrance please let us know and our staff will be happy to accompany you. There is free parking for Blue Badge holders right outside at the pay and display and there is also drop off right outside the main entrance.

Inside underwater Street there is a large disabled toilet and all exhibits are on one level and accessible to everybody.
