Thinking of Christmas already? Don't let the weather ruin your special day out!

Join us for "Christmas Around the World" and enjoy your Christmas trip in a warm, comfortable and festive environment.

Limited spaces available so book now to avoid disappointment! [click here](#) for more

School visits are offered Monday - Friday from 10am-2pm. Prices are £5.95 per child with one free adult per 5 children. Any additional adults would be £3.95.

Admission covers all workshops and craft materials and children usually leave with bagfuls of creations. Each class will also have their own science show which is followed by Battle of the Scientists- a fun interactive experience where children can pit their wits against each other in a series of science challenges.

We have excellent packed lunch facilities and coaches can drop off right outside. Doors are locked during your visit to ensure a safe, relaxed environment.
